

## **Sacred Heart Church (Parish of Clones Records) 1866 - 1881**

**Compiled By Ciarán Potter**

Note: I have taken every care to make sure these records are as accurate as possible. Please be aware when looking for your ancestors that names and townlands may have variant spellings. While I have done my best to read them, the quality of the records has resulted in there being times it was not possible to be fully sure.
